Greetings!

To help the Center reduce unnecessary expense and use of paper, please let us know if your household receives more than one copy of the newsletter. For the greatest and greenest way to stay updated, join our email list. Receiving Center information by email provides the added benefit of getting a weekly activity calendar as well as special bulletins and program notices. (We will *not* share your email address or inundate you with messages.)

Please call us at 203-222-2608 or, better yet, come by to give us your information in person. Stay a while, explore the Center facility, and share your thoughts and suggestions.

We look forward to seeing you soon!

Wendy, Carla, and Linda

The Y's Men count as members nearly 400 men who have left or will soon leave the world of work. Medicare Open Enrollment

In your mail mid-September: "Medicare and You-2018"

The annual open enrollment period for the drug plans for original/traditional Medicare (Medicare Part D) for 2018 coverage is <u>October 15, 2017 through December 7, 2017</u>. During this time period you can easily change insurance providers and coverage without penalty.

Make an appointment to review your prescription drugs for 2018 offered Medicare Part D insurance plans with a CHOICES counselor. There are changes to 2017 Medicare Part D offerings in Connecticut including new insurance plans, dropped Insurance plans, changed formularies and increased premiums. Your prescription medications including precise name, dosage and frequency of use will be reviewed on the Medicare website and the Medicare Part D insurance plans that are the most suitable will be given to you in order of price effectiveness. Last year reviews helped save several people more than \$600 yearly in drug & premium costs. Some people had not reviewed their plans for several years; others changed providers from the previous year because of major formulary changes.

During open enrollment period half-hour appointments will be available. Make your appointments by calling the Weston Senior Center at (203) 222-2608. **Book appointments early.** Couples must book <u>separate</u> half-hour appointments. There may not be time available when booking later, which could mean scrambling for help. If the times or dates are not convenient simply contact a CHOICES counselor at 1(800) 994-9422. Never a fee for this service.

A "Storm Tip" from the First Selectman's Office

"WHOM SHOULD I CALL WHEN MY POWER GOES OUT?"

When you need to report an electric outage at your house, or inquire when power might be restored, please call your power company. In Weston, that would be either EverSource or United Illuminating. (Most residents in Weston are with Ever Source.)

EVERSOURCE can be reached at 800-286-2000. Update your notification preferences with EVERSOURCE now to automatically receive important outage and restoration information via text, email and phone.

UNITED ILLUMINATION can be reached at 800-722-5584. Contact them for text message alerts and additional information.

Please keep these numbers handy in case of a power failure and direct your questions about power outages to your power company.

Friday, October 13th, 11:00am The Future of Main Street in the Age of Big Box Stores and Cyber-Commerce

A Wall Street Journal article "New England Country Stores Go Dark" (July 20th, 2017) describes the plight of vacation friendly New England losing much of its unique and traditional character citing "more general stores close as owners age, and online shopping and dollar stores compete".

Friday, October 20th, 11:00am The Christmas Fire on Shippan Point: Dec. 25, 2011

An article published in the Stamford Advocate on August 2, 2017, *City Settles 2nd Fire Suit*, details the latest in a series of lawsuits and payments between the City of Stamford, various contractors and the surviving members of the Badger and Johnson families. The article, editorially located on the front page and "above the fold," is a testimony that even after almost seven years "The Christmas Fire" is still a prominent local story.

Thomas Burke Series on Comparative Religion

Sign-up required, call (203) 222-2608

What, exactly, is religion? And why does one religious tradition differ from another, even when you might not expect it to? Why, for example, are the Abrahamic faiths of Judaism, Christianity, and Islam—despite their common source—often so different? And what kinds of factors separate the beliefs of a Hindu or Buddhists? This course provides an introduction to a few of the world's major religions: Sikhism, Hindu, Buddhist and the Abraham traditions.

Facilitator Thomas Burke has a master's degree in Divinity at Yale Divinity School. Prior to attending Yale Divinity School, Thomas served as a Marine in Iraq and Afghanistan. Thomas gives talks, writes editorials, works with members of Congress on policy issues, and helps run a nonprofit that supports vets in finding community and staying physically active.

This is a series of four lectures. You can come to all four or just one, but sign-up is required. 9/11 Study of Religion, 9/18 Judaism, 9/25 Christianity, and 10/2 Hinduism and Buddhism.

September/October Art Exhibit

Suzanne Andover Keany The Interior Landscape

Susanne Andover Keany has been living and working in Weston for the past 20 years and her current work reflects her interest in the natural world.

The paintings in this exhibition are from an earlier period when she lived in New York. This work explores the interior landscape of the still life. "In both my landscapes and still lives, painting for me is about perception and a desire to impart something of the intensity of seeing to the viewer. Scale is important to me. I like to enlarge objects so that you can really see them, enter into them. This exhibition tries to convey the mystery of the familiar and the joy of recognition."

Keany graduated with honors from the School of Visual Arts at SUNY Purchase and has a B.A. from Barnard College. She was also invited to participate in the Studio Semester Program in NYC. She is a member Of Art/Place, the oldest art cooperative in Connecticut. More of her work can be seen at artplacegallery.org. She has exhibited in New England, New York and Florida. Her work is included in both private and corporate collections.

Tuesday, October 31st, 1:00pm-2:00pm Halloween Stories by Hal Hutchinson

Hal doesn't believe in ghosts. A graduate engineer and resident of Weston for 46 years, he believes there is always an eventual explanation for so-called paranormal activity. None the less, the events prior to and during the summer of 1977, in a house on Lyons Plains Road, were unexplainable then and remain so today. They involve a mysterious gravestone, "Ghost hunters of CT" and a small ad in the Weston Forum. Refreshments will be served.

Cooks Corner

Cherry Squares by Roberta Morelli Ingredients:

1 can cherry pie filling

2 sticks of butter

3/4 cup of sugar

2 eggs

2 teaspoons vanilla

3 1/2 cup flour

Pinch of salt

Pre-heat oven to 325 degrees, butter and flower a 9 x 13 pan. Using a hook attachment on mixer, cream butter and sugar together, add eggs, flour, vanilla and salt. Mix until batter is soft but do not over mix!

Spread half of batter in prepared pan, pressing into corners, spread cherry pie filling on top, then cover with remaining batter as best as you can (baking brings it together). Brush with milk and bake for 45 minutes or until lightly browned.

Cool completely, sprinkle with powdered sugar before cutting into squares.
